Winter Sports School Families, Faculty, and Staff,

This note is to inform you of the availability of The Winter Sports School's AHERA (Asbestos Hazard Emergency Response Act) Management Plan for our campus, which can be accessed in the WSS Office upon request. The most recent completed renovations to our school school were begun, conducted, and completed in 2014, and passed all inspections. The Winter Sports School's campus is also inspected every year by the Summit County Department of Health; we successfully passed our inspection in 2016.

Sincerely,

Dave Kaufman
Head of School
The Winter Sports School in Park City
