Gap in State and Federal funding revenue verses WSS spending per student in 2018.

2018 funds helped triple the budget for science supplies to enable more hands-on learning and lab activities. With the assistance of Mr. Ramsay students in anatomy and physiology dissect a sheep brain Spring Semester 2019.

141K

Total (including in-kind donations) raised during the 2018 Annual Fund with support of 83% of WSS families, and 100% of WSS faculty, staff & trustees.

#CompetitorsForLife: In 2017, Maddie Morgan '16 joined the UNH Wildcats Nordic Team for her freshman year. With a top ten finish at the Williams College Carnival and 3.7 GPA she joined the 2018 NSCA All-Academic Team. Knowing she could keep improving she deferred her sophomore year and spent winter 2019 training with the SVSEF Cross Country Gold Team. She achieved her goal of skiing with one of the top eastern schools and will settle in at Middlebury fall 2019 to continue her athletic and academic college career.

Justin 'JJ' Johnson '94 was one of three in the first
graduating class. He is currently the University of
Utah head alpine coach and led the Utes to victory as
the 2019 NCAA Champions!

Johnson was the 1996 Ski Racing U.S. Junior Alpine
Skier of the Year. He was a member of the U.S. Ski
Team from 1997-99 and 2004-07.

He spent three seasons competing on the World Cup circuit (2004-07)
and regularly finished in the top 10 at the National Championships,
including a third-place finish in the downhill in 2006.
